EDUCATION

B.E (CSE)	Sri Eshwar College of Engineering	**CGPA : 8.25(upto 2nd Sem)**	**2024-2028**
HSC	Kongu Nadu Matric Higher Secondary School	**90.8%**	**2022-2024**
SSLC	Vidyaa Vikas Matric Higher Secondary School	**91.6%**	**2021-2022**

PROJECTS

Curetech : **JLY 2025**

Technologies: Python, Django, MongoDB, HTML, CSS

Medical Diagnosis Assistant helps patients and doctors by analyzing symptoms, suggesting possible conditions and providing treatment guideness. It improves decision making, ensure quick access to medical information and supports early disease detection.

Certgen: **MAY 2025**

Technologies: Python, Django, MongoDB, HTML, CSS

An online certification system automates the creation, verification, and distribution of digital certificates. It ensures authenticity, enhanced security, reduces manual efforts and allows organizations to access easily and validate credentials.

Letslearn: **NOV 2024**

Technologies: HTML , CSS, Javascipt.

An e-learning platform offers interactive courses, digital study materials, and assessments for learners. It enables flexible, self-paced learning, supports real-time progress tracking, and delivers personalized educational experiences accessible anytime, anywhere.

CODING PROFILE

Leet code	Solved **80+** Problems| GlobalRank-**1418175** | pavithra M
Skill Rack	Solved **1200+** Problems| **365** Bronze Medal | Rank:**12382** | pavithra M
Geeks for Geeks	Coding score more than **10+** | Rank : 800 | pavithra M
HackerRank	**3** stars in **C** language and **Python** language | **1** star in **Problem Solving**, **C++** and **SQL** | pavithra M
CodeChef	Solved **170+**Problems | pavithra M

CERTIFICATION

Completed the Introduction to Prompt Engineering	Sololearn	**JLY 2025**
Completed the DSA with c++ Bootcamp	Let's upgrade	**APR 2025**
Completed the Introduction to Web design and development	LinkedIN	**FEB 2025**
Received the Bronze medal from skillrack	Skill Rack	**DEC 2024**
Completed the Introduction to html	Sololearn	**DEC 2024**
Completed the Introduction to C	Sololearn	**DEC 2024**
Certificate of completion of C Training	Spoken tutorial project IIT Bombay	**DEC 2024**
Certificate of completion of C++ Training	Spoken tutorial project IIT Bombay	**DEC 2024**

ACHIEVEMENTS

Finalised to the final round in **AI Datathon** Conducted by SECE **NOV 2025**

Selected to the second round in **SICPC** Conducted by SECE **MAY 2025**

Selected to the second round in **SELFE Hackathon** Conducted by SECE **OCT 2024**

TECHNICAL SKILLS

Programming	C | C++ | Python(Basics) | JAVA(Basics)
Core Concepts	DSA(Basic) | OOP(Basic)
Database	SQL(Basics) | MongoDB(Basics)
Web technologies	HTML | CSS | JavaScript(basics)
Tools Technologies/Framework	VS Code | Canva | Figma | Google collab .
